Civil No. 06-CV-191-J

DEFENDANT'S OBJECTIONS TO PLAINTIFF'S EXHIBITS

COMES NOW Defendant, the University of Wyoming, by and through its Board of Trustees, and hereby objects to Plaintiff's Exhibits Nos. 1-22, on the grounds that none of these exhibits contain relevant evidence, that the exhibits raise issues collateral to the factual and legal issues in this case, and their introduction will result in a substantial waste of time and juror confusion. These exhibits were the subject of Defendant's motions *in limine*, and that motions are incorporated herein as if fully set forth. In accord with the Court's rulings during the hearing on the motions *in limine*, Defendant expects that Plaintiff will be required to lay sufficient foundation establishing

the relevance of each of his proffered individual exhibits before they are shown to the jury or offered into evidence. Defendant will then make a specific objection to each of the proffered exhibits based on the state of the evidence at that time.

DATED this 12th day of July, 2007.
